Abortion

Abortion and the 1978 Congressional Elections, M. W. Traugott and M. A. Vinovskis, p. 238.

Abortion Attitudes, 1965–1980: Trends and Determinants, D. Granberg and B. W. Granberg, p. 250.

Abortion Availability in the United States, S. Seims, p. 88.

Abortion Ethics: A Doctor's Dilemma? Bk. Rev. of: *Aborting America*, B. N. Nathanson, with R. N. Ostling. Rev. by K. Luker, p. 270.

After the Hyde Amendment: Public Funding for Abortion in FY 1978, see **Government Policy, Programming and Funding.**

Against a Graduated Scale, J. Widdicombe, Controversy, p. 221.

Almost All Abortions in France Performed in First Trimester, Digest, p. 114.

Catholics, Protestants Agree: Make Abortion, Contraception Widely Available, see **Public Opinion**.

Drop in Pill Sales May Have Led to Increase in Denmark's Abortion Rate, Digest, p. 313.

For a Graduated Scale of Fees for Legal Abortion, W. Cates, Jr., Controversy, p. 219.

Hospital Support of Legal Abortion Can Overcome MDs' Negative Attitudes, Digest, p. 264.

Judge Dooling's Decision: ". . . Allied to Her Right to Be," see **Government Policy, Programming and Funding**.

Local, General Anesthesia Found Equally Safe for Early Abortions, Digest, p. 112.

Most French Back 1975 Abortion Law; Birthrate Decline Worries Many, Digest, p. 158.

Obstetricians' Attitudes and Hospital Abortion Services, see **Service Providers**.

Sterilization Performed at Abortion Is as Safe as Interval Sterilization, see **Sterilization**.

The Effect of Induced Abortion on the Incidence of Down's Syndrome in Hawaii, R. G. Smith, R. W. Gardner, P. Steinhoff, C. S. Chung and J. A. Palmore, p. 201.

The Hyde Amendment and the Future, see **Government Policy, Programming and Funding.**

The Impact of Restricting Medicaid Financing for Abortion, see **Government Policy, Programming and Funding.**

Unsympathetic Attitudes of U. K. Physicians Limit Availability of Abortion, Digest, p. 157.

Worldwide Laws & Policies on Birth Control Affect Service Provision, see **International.**

Barrier Methods

Condom Found by Users to Be Safe, Convenient, Free from Side Effects, Digest, p. 113.

Suppository Makers Agree to Stop Comparing Effectiveness to Pill, IUD, Digest, p. 111.

Contraceptive Practice

Contraceptive Practice and Trends in Coital Frequency, J. Trussell and C. F. Westoff, p. 246.

Contraceptive Use Rises in Netherlands; Fertility Falls Among All Groups, see **World Fertility Survey.**

Differences Between Women Who Begin Pill Use Before and After First Intercourse: Ontario, Canada, see **Oral Contraceptives.**

Fertility Control in the United States Before the Contraceptive Revolution, see **Fertility: Planning and Effects.**

Method, Age, Education, Race Influence Success in Contraceptive Use, Digest, p. 266.

Sexual Activity, Contraceptive Use and Pregnancy Among Metropolitan-Area Teenagers: 1971–1979, see **Teenagers**.

Trends in Contraceptive Use at One University: 1974–1978, S. M. Harvey, p. 301.

UK: Contraceptive Use Widespread; Two-Child Families Preferred, Digest, p. 108.

Vasectomy Is Preferred by Many Canadian Men with 2 or Fewer Children, Digest, p. 111.

Evaluation of Programs

The National Reporting System for Family Planning Services—A New Look, J. G. Dryfoos, p. 193.

Fertility: Planning and Effects

A Policy in Total Disarray, see **Population Policy**.

Contraceptive Use Rises in Netherlands; Fertility Falls Among All Groups, see **World Fertility Survey.**

Development Without FP Will Not Speed Fertility Decline, see **Population Policy.**

Differences in State Birth Expectations Decrease; Fertility Gaps Widen, Digest, p. 265.

Early Fertility and Lifetime Fertility, S. R. Millman and G. E. Hendershot, p. 139.

Employment, Parity, Childbearing Intent Interact to Affect Fertility, Digest, p. 310.

Fertility Control in the United States Before the Contraceptive Revolution, D. A. Dawson, D. J. Meny and J. C. Ridley, p. 76.

High Infant Mortality May Signal Readiness for Family Planning, see **Infant Mortality.**

If U.S. Birth Expectations Are Met, Below-Replacement Fertility May Ensue, Digest, p. 57.

Japan: 7 in 10 Married Women Want No More Children; Fertility Falls, see **World Fertility Survey.**

Puerto Rico: Recent Trends in Fertility and Sterilization, H. B. Presser, p. 102.

The Hungarian Fertility Survey, 1977, Special Report, see **World Fertility Survey.**
